LAW.

OFFICE OF THE SOLICITOR.

Law Cases in District 1—

United States *v.* Great Northern Railway Co., Winston Brothers Co., and C. W. Werdenhoff: Fire trespass, Lewis and Clark National Forest. January 17, 1916, defendants filed amended answer. Motion to strike from amended answer filed and briefs submitted in connection therewith. The testimony of former Supervisor Bunker was taken in Fitchburg, Mass., in February, and the testimony of the Sande brothers was taken at Red Deer, Alberta, in March.

United States *v.* William Young: Occupancy trespass, civil, Gallatin National Forest. From 1905 to 1915 Young leased from the State of Montana sec. 16, T. 3 N., R. 6 E., and paid the State \$487.50. This land is within the Gallatin National Forest. Upon request of the Forest Service, the State made settlement. Case closed in law March 18, 1916.

United States *v.* Ferris & Burden: Grazing trespass, civil, Beaverhead National Forest. Case closed upon payment of \$4, value of forage consumed.

United States *v.* Johnnie Gross, jr.: Occupancy trespass, civil, Sioux National Forest. Letter written to trespasser calling for \$59.75, sent by district forester.

Law Cases in District 2—

United States *v.* George Korab: Timber trespass, Black Hills National Forest. Case closed upon payment of \$59.26, value of timber cut.

United States *v.* J. F. Church: Grazing trespass, Arapahoe National Forest. Case closed upon payment of \$41.27, value of forage consumed.

United States *v.* O. P. Olson: Grazing trespass, Hayden National Forest. Settled by payment of \$45.57 actual and \$100 punitive damages.

United States *v.* Carbon Timber Co.: Timber trespass, Medicine Bow National Forest. Compromise agreement entered into July 8, 1911, involving the payment of \$23,572.74, and building of a \$20,000 fire line by the company. All other conditions of the agreement of settlement having been complied with by the company, the case was closed upon final payment of \$4,000 by the American Surety Co.

United States *v.* Colorado Power Co.: Occupancy trespass, Holy Cross National Forest. On January 11, 1916, the District Court for the District of Colorado decided the case. The court held that such rights as the defendant company has to occupy the complainant's lands are dependent upon the terms of the act of February 15, 1901 (31 Stat., 790); that the United States has the right to impose reasonable restrictions and require payment of reasonable fees for the use and enjoyment of its lands under the provisions of such act; that the fees imposed, which amounted to a charge of approximately \$100 per month, were not excessive or unreasonable; that the method or means by which the Secretaries of the Interior and Agriculture sought to ascertain the amount of such fees, viz, by subjecting the defendant's business to public surveillance, etc., was beyond the authority given by the act of 1901, supra; that the nonpayment of such fees did not, therefore, justify or warrant a revocation of the permit; that the attempted revocation of the permit on March 3, 1909, was void; that the original permit is, therefore, valid and continues in effect; that the defendant is required to comply with such reasonable regulations as the Secretary of Agriculture may impose upon the maintenance and operation of the plant. The court held also that the construction of a tunnel instead of a ditch did not justify or warrant a revocation of the permit, nor did the further fact that the line of the tunnel departed from the proposed line of the ditch justify or warrant such revocation. Upon stipulation of counsel for the United States and for the defendant company the date for entering final decree has been continued until July 8, 1916.

United States *v.* I. N. Pepper: Breach of timber sale contract, Uncompahgre National Forest. Judgment by default for the sum of \$31.75 damages and \$5.50 interest, together with \$31.50 costs.

United States *v.* Simion Landa: Grazing trespass, Prescott National Forest. December 29, 1915, defendant held for grand jury under \$250 bond. March 25, 1916, defendant entered plea of guilty and paid fine of \$50. He also served several weeks in jail because of his inability to furnish bond.

United States *v.* W. H. Collie: Occupancy trespass, Coronado National Forest. Suit for injunction filed.

United States *v.* Medler Bros.: Grazing trespass, Tonto National Forest. Suit for injunction and damages filed. Defendants' motions to dismiss and to make complaint more definite and certain denied March 6. United States' application for temporary injunction to compel the removal of stock at spring roundup argued March 13 and taken under advisement, the court announcing, however, that injunction would be granted unless defendants removed at least 500 head of stock by April 1.

United States *v.* R. H. Cameron: Occupancy trespass, Tusayan National Forest. Suit for injunction against illegal occupancy of canceled mining location. March 25, defendant's motion to dismiss or transfer to the law side denied.
